

DUNCANVILLE
Independent School District

April 3, 2017

Dear Acton Family:

This year is flying by! We are in the last nine weeks of school and our students and teachers are working very hard to prepare students for their next grade level. Our 3rd and 4th grade students are reviewing skills and participating in lots of higher order thinking activities to prepare for the state assessment May 8 (STAAR Math) and May 9, 2017 (STAAR Reading).

We are very excited about the new campus! There will be an opening ceremony August 2017. We will have a beautiful building to showcase student learning. Next year we will have all day Pre-K at our new campus. Please see the Duncanville ISD website for details. We appreciate the support you provide each and every day. We've had several events this year and we thank you for making them a great success. Below you will find special event dates.

Happy Spring and thank you for all you do!!

Upcoming Dates:

- ❖ Nacho Average Parent Night-April 6, 2017 6:00-7:30pm
