Dear Acton Family:

What a great start we have had these first nine weeks of school! We are looking forward to see how the students at Acton continue to grow and develop their academic skills throughout the year.

We appreciate the support you provide each and every day. If you did not get chance to meet with your child's teacher during parent conference, please know you are more than welcome to contact your child's teacher to schedule an appointment.

We are very excited to share that we have approximately 100 parents that have joined PTA. We appreciate your support and thank you for supporting our students and teachers.
